DEMOCRATIC MASS MEETING

Pursuant to a call, numerously signed a Mass Meeting of the Democracy Memphis will be held in the Greenlaw Operahouse on Saturday, December 9th, for the purpose of nominating candidates for mayor and other municipal offices.

GOV, BROWN AND THOSE BONDS

rally begat enthusiasm, out of which came umberless propositions, all of them with more or less of public good underneath ttenness and dead men's bones. The GOV. BROWN'S SENSITIVENESS. ople were doing so well, were so pros-We repeat it, for the twentieth time rous in all their undertakings, that that the APPHAL has never impugned, even by indirection, the unsullied purity of Governor Brown's motives or charac ter. They who declare differently, and have read the APPEAL, are either insuffer ship stupid or deem Governor Brown an to perpetuate the prosperity out of which January, 1870, when, without one dollar idiot, and would mislead him as to ou assertions. He is genial, social, and full of the milk of human kindness, and we southern birth. Such a thing as the task of managing Memphis finances have only feared that the bondholders, in view of this fact, might give him a bant- the city fathers was not dreamed of, so liness tact that has been the moving leg to nurse unwittingly. There is great was the public confidence, not only in cause of a figuretal condition as not a man that lives, even if he had the cheek of Boss Tweed or of the leader of city to pay whatever they said was right ed and so satisfactory as to challenge the little Memphie Tammany, who could look Governor Brown in the face and be- voted, to be sure with a show of debate, stocks and money. Brought to so adlieve, still less assert, his capability of indisposition to foster and encourage whattentional wrong. God gav : him a magnificent face, on which his character is ever was likely to increase our railroad by a man of any less ability. Moniphis is truthfully delineated. But God did not or commercial facilities. Out of this on the threshold of a great career. In the make him infallible. It happened afore- spirit-a proper spirit, becoming a city as near future we can see looming up all the time that the Creator was "well pleased" protentious se Memphis—has grown the with the father of our race, and did not dabt which on the lat of Oxfober, amounted to \$4,252,471 68. This debt in part the devil enter Eden to mislesd and burepresents \$300,000 endorsed and unpaid tray? How craftily, we need not tell. It bonds for the Memphis and Little Rock was by smiles and ounning wiles; and yet Adam was a perfect man. Governor Brown, during the brief years of his chief \$65,000. It represents \$250,000 of stock in magistracy, would gladly retrieve the the Mississippl and Tennessee railroad, which was sold for \$40,000 in cash, o fortunes and fame of Tennessoo. His personal love of honor and fame would \$500,000 of Memphis and Charleston railnaturally lead him to desire a consumma- road stock, sold for \$500,000 in city bonds. of over \$500,000 in stock in the tion so grand but utterly impossible. The people, on the contrary, do not conceive | Memphis and Little Rock railroad which and to be equal to it, we must have a man was sold for \$100,000, and the cost of the that either the honor of Tennesses or of Nicolson pavement, which, if regarded Governor Brown is involved in this matfrom the standpoint of saving in hauling to ter. The people had no agency even in the creation of the miserable abortion of a the city, has been more beneficial to Memconstitution and government, with its phis than any railroad centering here This pevement has cost over \$1,000,000. shapeless and nameless "schedules," which was born of a foul mob gathered But while those items are to be numbered by an exterior force which first spewed as of the debt, which steadily incressed year by year, until John Johnson brought Brownlow, and next his legislature, rder out of chaos, there are others which and next the Mineral Home rotten bogus brought us no profit, but which, had they bonds by the million. For no single set been properly handled, might have been of this mockery of a government are the used to reduce it. Of these we will tax-paying people of Tennessee responsinot now speak. They are of the past. ble. We deny the foul, insulting impo-There is no use crying over split milk. tation. By no legal anthority was the What we have to do with is the living, broad seal of Tennessee impressed upon breathing present. Of this we prope bonds that crazed balls and bears in Wall to tell the readers of the APPEAL, whom it concerns to know, that there is a prospect, street fought over like wild beasts, Tennesseems are responsible in nothing for should the present system of retronchment be continued, not only that the city debi the villainies of thieves who, had they not been ejected from power, would will be reduced, but that we will be placed have converted Tennessee, like South in a condition to subscribe to the Mem-Carolina to-day, into a veritable hell phis and Shreveport and the Mem of horrors. Tennessee was not in phis and Kansas railroads, when Nashville, either in the persons of her they come, as they will shortly, to mak people or by the potency of her laws, when our sid. We propose to show that wherethe Brownlow regime was begotten of sin | as our city debt increased from 1800 to and brought forth in iniquity. This horri- 1870 more than double, since the latter ble goblin damned, nursed and coddled in | year it has ateadily decreased, and is now inderstood and comprehended fully and its howling infancy by Old Brimstone, thoroughly, item by item, dollar for doleven in the second and third year of itife, devouring, like the tabled monster of lar, and is in a fair way to be put in course ion. Thus, the debt of our city antiquity, its own supposed offspringwe find to have been, on the dates named this was not Tennessee, Governor Brown

is wholly at fault. The genuine autograph of Tennessee is nowhere inscribed on any of these bonds. To find it there, in its true characters and in the handwriting of the once honored commonwealth would be quite as impossible as the discovery of thieven who disposed of the "sacred school fund." In fact, if Governor

Brown would consult the true people Tennessee, be would learn that From the above it will be seen that they would be well pleased, had not specsince January 1st, 1870, the debt proper ulators in these boyus bonds rendered as been reduced \$444,990 82, and this them undistinguishable from the genuwhile the price of treasury warrants has ine, if they were never paid. The people been appreciated from fifty five and fifty. know that the bondholders managed to eight to eighty-five cents, and all the runequalize, very nearly, the values of the ning expenses of the city have been paid in two descriptions of paper; that they have cosh, something in itself which has never effected exchanges, the bogs for the genbeen paralleled by any previous adminis uine; and that they have induced innocent comptrollres and governors to accept The fireman, the pollosmen and the labor tration, honest though they have all been the bogus paper while the thieves retain ers employed on city work, speak in no the genuine old bonds of Tennessee. nmessured terms of praise of this tea Governor Brown is not in the slightest ture, and however disappointed office degree responsible for these wretched mulpractices and enormities of the bogus Johnson the justice of saying that he is seekers may rave, they accord to Mr. government of Tennessee or of its agents. the only mayor we have ever had who The people of the State are the State has paid them, as they ought to be They do not concieve themselves bound paid, in iswed money. They know, to pay, and John C. Brown is our Governor and not the chosen chief magistrate thus paid in cash there has not been any too, and will tell you that while of those who created a constitution diminuition in work. Our police force is shingled over with "e-bedules" and as large, our fire department as officient enforced at the bayonet's point and our street force as complete and constantly employed as at any time. Bridges another direction. His eyes should be and culverts have been rebuilt, built and turned away from Wall street. He should repaired; streets rounded up, and crossclose his cars against the importunities of walks laid down, and gas or oil ismps exthese bondholders and their represents- tended in every direction upon the peti tives with whom he issioneed now and tions of citizens. In all parts of the city then to consort. He should listen to the the requirements and demands of ou voice of the people, and never forget their growth have been answered. The Nicolwoes; how they were plundered and inson pavement has been repaired wherever sulted by lawless gangs of militia; how and whonever needed, streets have been this army of Brownlow was transported opened, and much of the unsightly back and forth over roads that were thus bluffs out down, and yet the debt has in part enabled to extinguish their indebtness to the State; how crops have absorbed and paid off, the city finances the people are unable to discharge taxes creatment as the private affairs of the man of the last and preceding year; and how there is no moral obligation resting on moved with almost the certainty of preswho, at the helm of our little bark, has Tennessee to pay a stiver of the newly cience past and beyond the shoals and quicksands upon which so many of his predecessors have been wrecked. Baugh was honest and capable, so was John Park, and so was Lotland and Leftwich; but not one of them ever was able to re-

There is no truer friend of Governor Brown than the APPEAL, Time will demonstrate the fact. There is a brilliant future before him. His has a vigorious intellect and a stainless fame. Let him not duce the debt or cops with the indolence sacrifice it in obedience to the clamors of those who, having first wrecked the for- went into office the sworn enemy of tones and fame of Tennessee, now become so supremely honest that they can-currency payment as "Old Bullion" himnot see why the people may not have a self. He saw the folly of monthly Has formed an association with share of relief after all they have endured. scrip issues, which, besides that Mr. McGhee acts as others would, embarked like himself on the tempestuous debt kept alive the discontent that was ses of railway speculation. His interests as a man—and he is an housest man—ruislead his judgment as a lawgiver. He forgets how his own people, beyond the gets how his own people, beyond the or \$20, or perhaps \$30 or \$40, as the needs mountains, falled to gather at harvest of tax-payers advanced the price of the paper they were paid in. Johnson knew listens not to the cry for relief from the lost to make efficient officers of his firetax-gatherer that comes with every wind men and policemen, and to get a fair day's work out of his street force, he must pay story of want even within the vaulted them cash. He, therefore, announced the domes of the capitol. He dreams of a cash basis, has stuck to it pertinaciously, good time coming, which he would have ten, when he will gather the fruits of the last six years of toil expended in controlling, in New York and Nashville, the ling, in New York and Nashville, the debt. To the one he promised payment credit of the State, and in shaping the when the other should come up and liquifinancial policy of Tennessee. He has date his iswful dues. He begged, endone his work faithfully, honestly, and treated, and threatened, and was successwell; but it hardly becomes him, at this ful. But even the help of the tax pagers COMMISSION MERCHANTS uncture in the fortunes of a long-suffer- was not sufficient. He saked to be aling people, to subordinate their interests lowed to issue \$500,000 in 6 per cent, goldto those of the remorseless speculators of bearing bonds for the purpose of funding the floating debt which he found amo ed to swer \$800,000. His request was

ONE AT A TIME. please. Here we have five hundred men be called upon to use if he can only collect at work on the Pine Bluff branch of the the balance of the taxes due by climen And thus, with the use of but \$218,000, of tended to Shreveport, Louisiana, and Jofferson, Texas. The builders of this road towing tabular statement, he has taken expect soon to see the bonds of Memphis up and reduced the floating debt \$586. of such credit, possibly to the extent of one milition dellars. This is enough for one day, and then, when the Kansas City company shows its faith by its works, and the people of Arkansas, like those of Missouri, have dug ditches and made embankments for a bundred miles, more or less, Ledger halsness. showing that a webscription may be made and used by men who mean to work as Funding tertificates. well as talk-then, and not till then, will

bonded dobt of the State.

Memphis invest the half a million that may be saked at her hands in this Kanase City road. Each of these enterprises has nerits enough of its own, and to link hem together, as proposed yesterday in merchants' meeting, at Commercial Place, will give us just a little more than be people will abserfully indorse. It may be that Memphis will find it wise to use its stock or investment in the Shreveport road as a subvention to the Kansas city road, and thus the issue of a half million city bonds to the Kansas City oad becomes needless. One at a time, if

Amount paid up to October 1, 1871 Taken up from Jan. 1, to Oct. 1, 1871 8588 169 19 To these figures and statements we refer at this time for the purpose of calling the THIS IS BUSINESS. attention of the business public more par-The growth of Memphis has been a ticularly to the character of the man, and sculiar as that of Chicago. Up to 1881, the high financial ability necessary to the when war was declared between the proper management of city our affairs; tates, it was as rapid and as profitable to ur citizens. Such a state of things natu-

energies for an advance in growth bonds for the Memphis and Little Rock relired, with interest paid amounting to given. The old-time railroad spirit crops out and we are on the eve of an epidemic that will be more productive o good fortune to us as a community than that which raged with such profitable results in the infancy of our beautiful city. To be in a condition to meet this for mayor who, passessed of the highest financial ability, will always keep his expenditures within his income; who will never exceed the limits of prudence and conomy, and who, from his known integrity and wisdors, will command the confidence of the financial world and the respect of all classes alike.

> Tux attention of the people of Jackson, Tennosses, will be arrested by our special and cheapest in the market. dispatch from Brownsville. By the construction of the Denmark and Brownsville road, Jackson must lose the richest trade of Madlson county, Brownsville and Jackson are the most flourishing, vigorous and intelligent of the interior cities of Tennessee, and the worthy rivalry be tween them will result in the sure and speedy aggrandinament of both.

THE school fund was appropriated by tadicalism tees use it had vomited forth such an immense quantity of bogus railroad bonds that it sadly needed a mor to stay its stomach.
